17. Click here to add a new user

Edit Broadcaster

If you click on the username of the broadcaster user, you will be able to edit his account. The same process is used to edit a regular user

The screenshot shows the 'Edit user #3: broadcaster' page. At the top, there are four tabs: 'User's Shows', 'User's Pictures', 'User's Blog', and 'User's Tickets', each with a numbered callout (1, 2, 3, 4). A 'back to users listing' link is in the top right. Below the tabs is the 'Shows information' section, containing a 'show' button and a 'Disable' button with callout 5. The 'Account information' section contains a table with the following fields and callouts: Username: user (6), Password: **** Change password (7), E-mail address: user@site.com (8), Registration date: Apr 2, 2009 09:48 (9), Privilege level: Regular User (10), and Credits: 215.0 (11).

Legend:

1. Click here to see the show that this user has
2. Click here to see the pictures of this user
3. Click here to see all the blog articles created by this user
4. Click here to see the tickets that this user bought
5. Click on "Disable" button to disable the show; after disabling a show, the button will change into "Enable" button
6. Here you can see the username of this user
7. Click here to change the password for this user
8. Here is listed the email address of this user and you can modify it
9. Here you can see the date when the user registered into TikiSolo network
10. From here you can change the privilege for this user (from broadcaster to regular user and vice versa)
11. Here are listed the credits that this user has into his TikiSolo account

The screenshot shows a user profile editing form with the following sections and elements:

- Personal information:**
 - Firstname: User (12)
 - Lastname: Name (13)
- Location information:**
 - Country: United States (14)
 - State: California (15)
 - City: (16)
 - Address: (17)
 - Postal code: 225544 (18)
 - Timezone: (GMT) Greenwich Mean Time : Dublin, Edinburgh, Lisbon, London (19)
- Miscellaneous:**
 - Send new message notification email. (20)
 - Send new profile comment notification email. (21)
- Save details:**
 - Save user details (22)
- Navigation:**
 - back to users listing (23)

12. Here is listed the user's first name and you can edit it
13. Here is the user's last name and you can edit it
14. Here you can see and edit the country for this user
15. Here you can see and edit the state where this user lives
16. Here you can see and edit the city where this user lives
17. Here you can see and edit the address where this user lives
18. Here you can see and edit the postal code of the city where this user lives
19. Here will be listed the time zone of this user
20. Check this box if you want the user to get email notifications when he receives a new message on TikiSolo system
21. Check this box if you want the user to get email notifications when new comments are added into his profile
22. Click here to save the modifications made on user profile
23. Click here to go back to users list

User's Pictures

If you click on the User's Pictures tab, you will be able to see the pictures for that user.

Legend:

1. Check this box if you plan to remove this picture (you can select more than one picture)
2. Click here to delete the selected pictures

User's Blog

If you click on the User's Blog tab, you will be able to see the blogs that the user created.

You will have the option to list the blogs for a specific month or view all blogs. You can see the blogs articles and delete a specific blog.

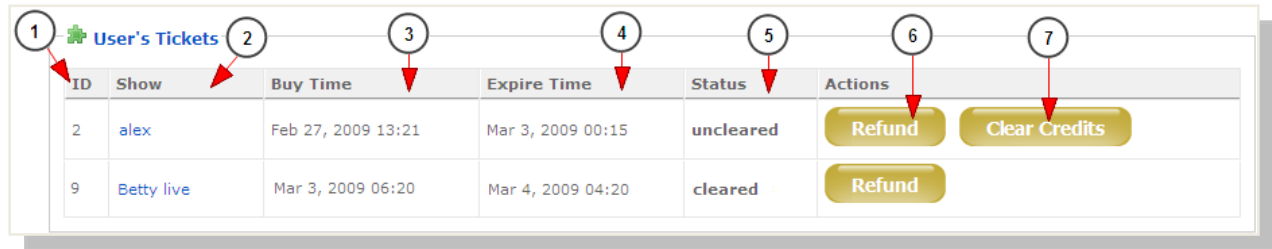

Legend:

1. Check this box if you plan to remove this blog entry
2. Click here to list the blogs for a specific month or view all blogs
3. Click here to delete the selected blogs

If you click on the blog title, a pop-up window will open and you will see the blog article.

User's Tickets

If you click on the User's Tickets tab, you will see tickets that the user bought.

ID	Show	Buy Time	Expire Time	Status	Actions
2	alex	Feb 27, 2009 13:21	Mar 3, 2009 00:15	uncleared	Refund Clear Credits
9	Betty live	Mar 3, 2009 06:20	Mar 4, 2009 04:20	cleared	Refund

Legend:

1. Here are listed the ID's for the tickets
2. Here you can see the show for which the user has bought a ticket
3. Here you can see the date when the user bought the ticket
4. Here you can see the expiration date of the ticket
5. Here you can see the status of the ticket
6. Click here to refund the user (give the money back to the user)
7. Click here to clear the credits (send the money to broadcaster without waiting the [Clear Credits Time Setting](#) – this time option will give the ability to administrators to refund credits to viewers if a Show or VOD is inappropriate.

Add New User

If you click on “add a new user” link the following page will open.

 **Add a new user**

16. Click here to go back to users listing

Note:

When the admin will add a new user into TikiSolo system, the user account will be automatically activated and the user can login on his account.

Shows Listing

Here you can view all the shows, enable or disable the selected shows and view statistics for each show.

The screenshot shows the 'Shows Listing' interface. At the top, there is a search bar with a text input (1), a dropdown menu for search criteria (2), a 'Search' button (3), and a 'Reset' button (4). Below the search bar is a table with columns: Status (5), Show ID (6), Name (8), Broadcaster (9), Featured (10), Live (11), Inappropriate? (12), Last broadcast (13), Created on (14), and Stats (15). A single row of data is visible: a green checkmark in the Status column, '2' in Show ID, 'Single show' in Name, 'broadcaster' in Broadcaster, a star icon in Featured, a lightbulb icon in Live, 'Mar 18, 2009 10:52' in Last broadcast, 'Mar 18, 2009 10:52' in Created on, and a bar chart icon in Stats. Below the table is a pagination bar (16) with a 'With selected:' dropdown (17) and a 'Display #' dropdown (18). The pagination bar shows 'Page 1 of 1, Found 1 records.'

Legend:

1. Enter here the text that you want to search
2. Select from the drop-down where you want to search
3. Click here to search
4. Click here to reset the search results
5. Here you can see the show status (enabled or disabled)
6. Here you can see the show ID
7. From here you can select the shows that you want to enable/disable
8. Here you can see the name of the show
9. Here you can see the broadcaster name
10. Here you can see if the show is featured
11. Here you can see if the show is live
12. Here you can see if the show is reported as inappropriate
13. Here is listed the date when the user broadcasted last time this show
14. Here is listed the time when the user created this show
15. Click here to see the statistics of the show
16. Here is the pagination index
17. You can select to enable or disable the selected shows
18. Here you can select how many shows will be listed on page

Show Statistics

If you click on statistics button the following page will open.

 **Show statistics**

1   [back to show listing](#)

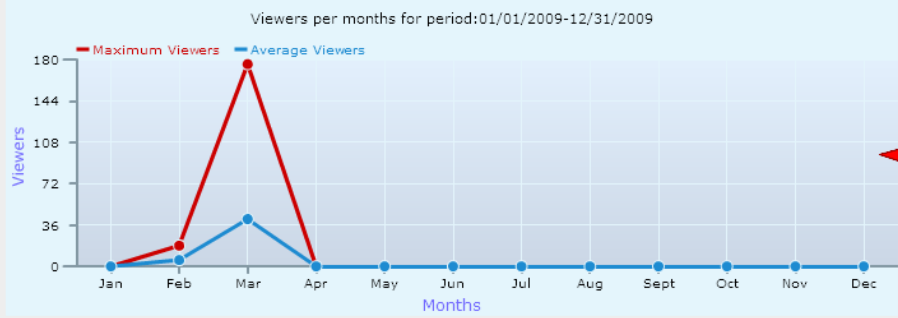

Select show to view reports: 2 

Show statistics for selected period:  -  3 

Viewers per months for period:01/01/2009-12/31/2009
Click the month bar to see viewers per weeks detailed chart

Viewers per months for period:01/01/2009-12/31/2009

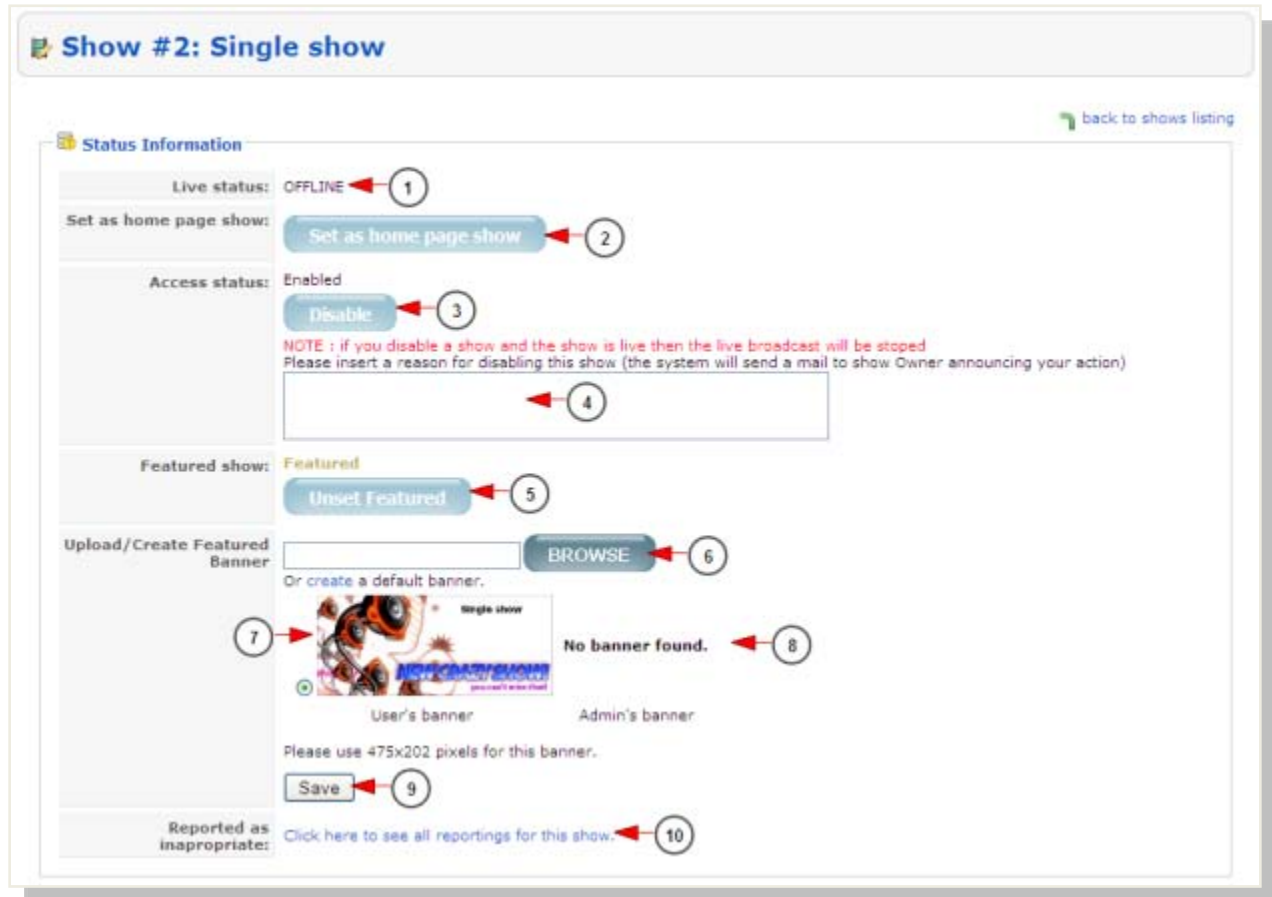

Here will be listed the statistics for the selected show for one year, but you have the possibility to select a custom period of time for which you want to see the statistics.

Legend:

1. Click here to go back to shows listing
2. Select from the drop-down menu the show for which you want to see the statistics
3. Select a period of time (by clicking on the calendar icon) and then click on "Choose" button to see the statistics for that period
4. Here you can see the statistics represented in bar graphics
5. Here you can see the statistics represented in line graphics

Show Details

If you click on the show name you can view the details of that show.

The screenshot shows the 'Show #2: Single show' details page. It includes a 'Status Information' section with the following elements:

- 1:** Live status: OFFLINE
- 2:** Set as home page show button
- 3:** Access status: Enabled, with a Disable button
- 4:** Text input field for a reason for disabling the show
- 5:** Featured show: Featured, with an Unset Featured button
- 6:** Upload/Create Featured Banner section, including a BROWSE button
- 7:** User's banner image
- 8:** Admin's banner image (labeled 'No banner found.')
- 9:** Save button

Categories Listing

In the Category Listing page you can view, add, edit and delete the existing categories. You can also search in the categories.

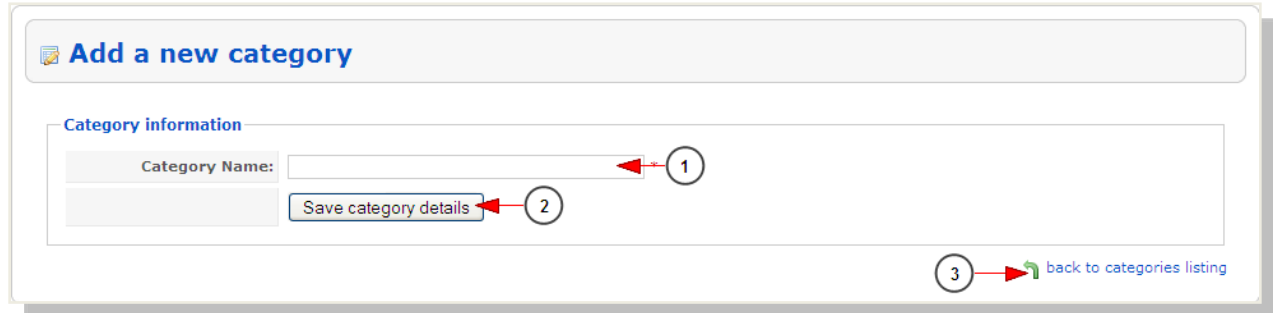

The screenshot shows the 'Categories listing' interface. At the top, there is a search bar with a 'Search for:' field (1), a dropdown menu for 'in Category name' (2), and 'Search' (3) and 'Reset' (4) buttons. Below the search bar is a table with columns for 'ID' (5) and 'Category Name' (7). Each row has a checkbox (6) for selection. A table with 10 rows of categories is shown, including Animation, Band, Cars, Competitions, Entertainment, Extreme, Gadgets & Games, Howto, Movies & Television, and Music. A '+ add a new category' link (8) is located at the top right of the table. At the bottom left, there is a pagination index (9) with buttons for 1, 2, and 3. A 'With selected:' dropdown (10) is next to it. At the bottom right, there is a 'Display #' dropdown (11) set to 10, and a status message 'Page 1 of 3. Found 23 records.' Another '+ add a new category' link is at the bottom right.

Legend:

1. Insert here the search items
2. Select where you want to search (in category name or category ID)
3. Click to search
4. Click here to reset the search field and filters
5. Here you can see the category ID
6. From here you can select the categories that you want to delete
7. Here you can see the category name
8. Click here to add a new category
9. Here is the pagination index
10. Click here to delete the selected categories
11. Here you can select how many categories will be listed on page

Add New Category

If you click on “add a new category” link the following page will open.

The screenshot shows a web form titled "Add a new category". Inside the form, there is a section labeled "Category information" containing a text input field for "Category Name:" and a "Save category details" button. At the bottom right of the form, there is a link labeled "back to categories listing". Three red arrows with circular callouts point to these elements: callout 1 points to the "Category Name:" input field, callout 2 points to the "Save category details" button, and callout 3 points to the "back to categories listing" link.

Legend:

1. Insert here the name of the new category that you want to add
2. Click to save the new category
3. Click here to return to the categories listing

Add New Announcement

If you click on “add a new announcement” link the following page will open.

The screenshot shows a web form titled "Add announcement". The form is divided into sections. The "Announcement information" section contains three input fields: "Title:" (callout 1), "Author:" (callout 2), and "Content:" (callout 3). The "Content:" field is a rich text editor with a toolbar. At the bottom of the form, there is a "Save announcement details" button (callout 4) and a "back to announcement listing" link (callout 5).

Legend:

1. Insert here the announcement title
2. Insert here the announcement author
3. Enter here the announcement body text
4. Click to add the new announcement
5. Click here to go back to announcement listing

Inappropriate Flags Listing

In this page you can view, edit, delete and add the flags used in TikiSolo system.

The screenshot shows the 'Inappropriate flags listing' page. At the top, there is a search bar (1) with 'Search' (2) and 'Reset' (3) buttons. A link to 'add a new flag' (4) is located to the right. Below the search bar is a table with columns for 'ID' (5), a checkbox (6), and 'Flag text' (7). The table contains three rows of flags. At the bottom left, there is a pagination index '1' (8) and a 'With selected:' dropdown menu (9). At the bottom right, there is a 'Display #' dropdown menu (10) and another 'add a new flag' link.

ID		Flag text
6	<input type="checkbox"/>	Inappropriate language used by the owner.
7	<input type="checkbox"/>	Invites to violence
8	<input type="checkbox"/>	Violation of Terms of Service!

Legend:
