

**TIKILIVE.COM**

**TIKISOLO**

**USER MANUAL**

## Login

You will have to enter your Username and Password for your account on TikiSolo. After that you will click on "Login" button to login into your TikiSolo account.

The screenshot shows the login interface with the following elements and callouts:

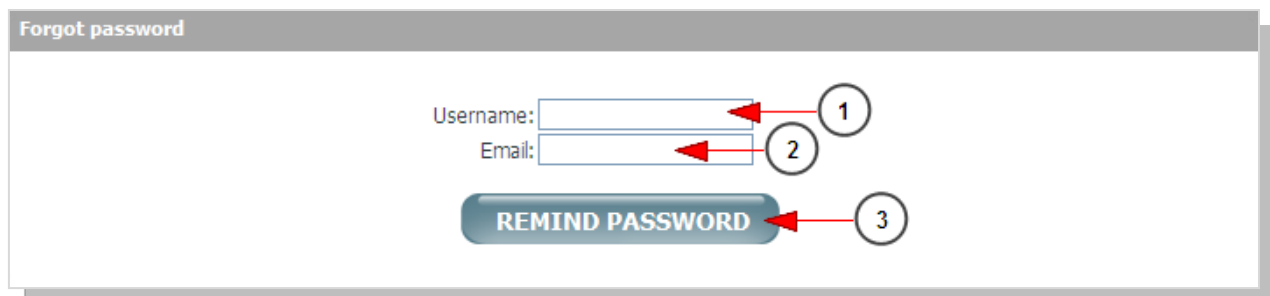

- 1**: Points to the Username input field.
- 2**: Points to the Password input field.
- 3**: Points to the LOG IN button.
- 4**: Points to the [Forgot Password](#) link.
- 5**: Points to the [New sign up](#) link.

Legend:

1. Insert your TikiSolo username
2. Insert your TikiSolo password
3. Click to login into your TikiSolo account
4. Click here if you have forgotten your password
5. Click here to create a new account

## Forgot Password

If you forgot the password, you can use the "Forgot Password" link. You will have to enter the username and the email address into the fields. The password will be send to your email address.

The screenshot shows the forgot password interface with the following elements and callouts:

- 1**: Points to the Username input field.
- 2**: Points to the Email input field.
- 3**: Points to the REMIND PASSWORD button.

Legend:

1. Insert your TikiSolo username
2. Insert your email address
3. Click to send your TikiSolo password by mail

## Register

If a new user wants to register, he will have to complete all the fields in order to register on TikiSolo network.

**Register - step 1**

---

**Account Information**

Username:  1

Password:  2

Confirm Password:  3

Email Address:  4

---

**Personal Information**

User Firstname:  5

User Lastname:  6

Gender:  7

Birth day:  8  9  10

---

**Your Location**

Country:  11

State:  12

Postal code:  13

Timezone:  14

---

**Validation code**

Please enter the validation code:  15 **A8QG**

---

16

Legend:

1. Insert your desired TikiSolo username
2. Insert your desired password
3. Insert again the password
4. Enter here your email address. A confirmation email will be send to the provided email address
5. Enter your first name
6. Enter your last name
7. Select your gender
8. Select your birth month
9. Select your birth day
10. Select your birth year
11. Select your country

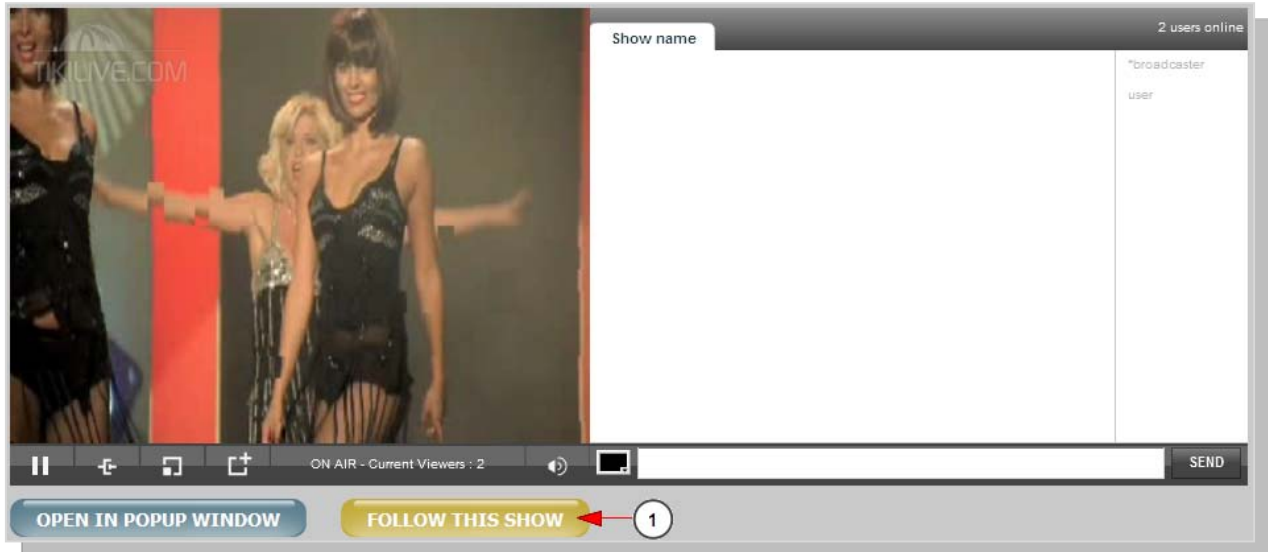

12. Enter your state
13. Enter postal code of your state
14. Select your time zone
15. Enter the validation code exactly like in the picture
16. Click here to create your TikiSolo account

**Note:**

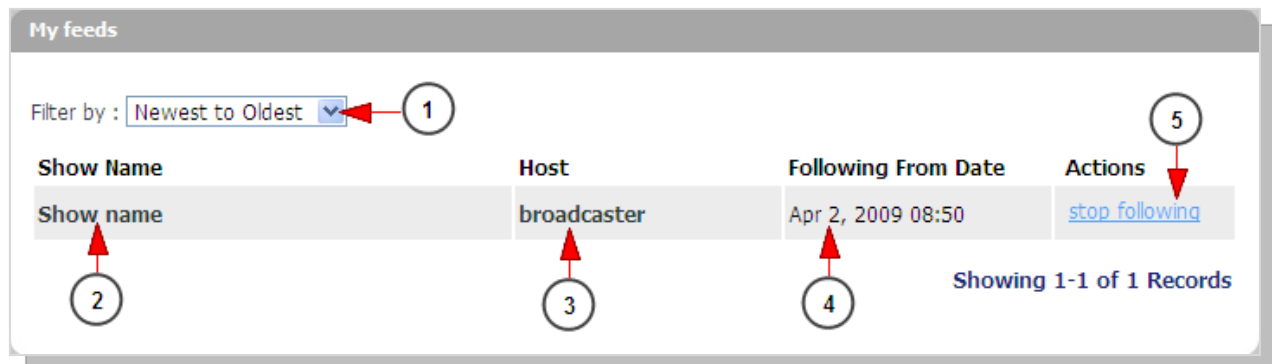

An activation email will be sent to your email address. The account will be active only after you confirm the email address by clicking on the activation link.

## My Feeds

When you are on the show page, you can choose to follow that show. In order to do this, you will have to click on "Follow This Show" button. It will then be added into your feeds list and you will be informed about updates of that show.

In order to see the Feeds that you have, click on "My Feeds" link and you will access the Feeds page.

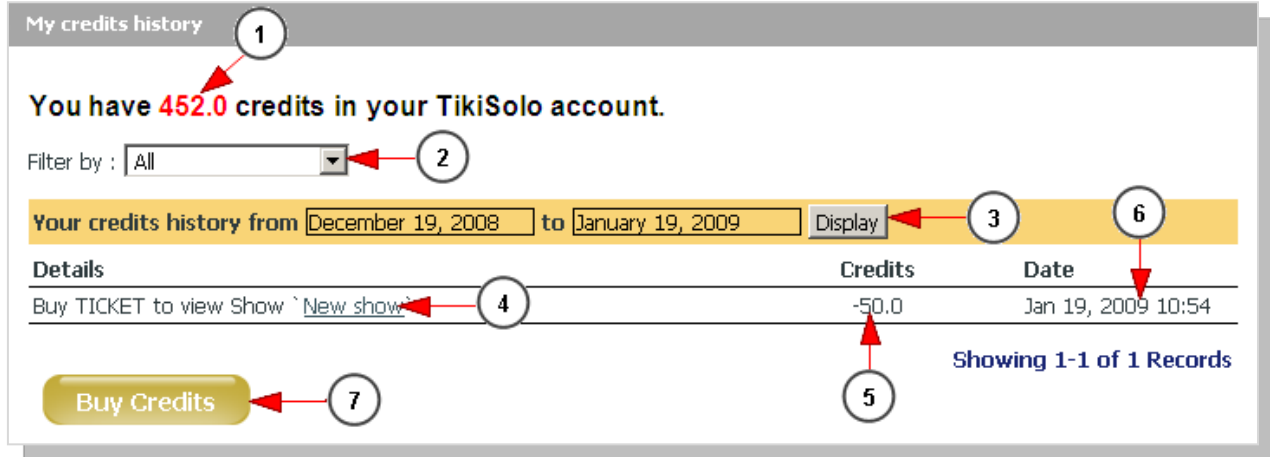

Legend:

1. Click here to filter the feeds
2. Here you will see the name of the show you are following
3. Here you will see the name of the user that is hosting the show
4. Here you will see the date when you have started to follow this show
5. Click here to stop following this show

## My credits

In **my credits** page you can see your credit history. You can display the credits history for a selected period of time.

The screenshot shows the 'My credits history' page. At the top, it says 'My credits history' (1). Below that, it displays 'You have 452.0 credits in your TikiSolo account.' A filter dropdown menu is set to 'All' (2). The user can select a date range from 'December 19, 2008' to 'January 19, 2009' and click 'Display' (3). A table shows a transaction: 'Buy TICKET to view Show `New show`' (4) with a credit value of '-50.0' (5) and a date of 'Jan 19, 2009 10:54' (6). At the bottom, there is a 'Buy Credits' button (7) and a status 'Showing 1-1 of 1 Records'.

### Legend:

1. Here will be listed the credits from your account
2. You can filter by the type of transaction that you want to show the credits history for it
3. Select the period of time and click on display in order to show the credits history for that period
4. Here you can see the details of the transaction
5. Here you can see the credits spend in this transaction
6. Here you will see the transaction date
7. Click here if you want to buy credits

If you want to buy credits, you will have to enter the amount of credits that you want to buy and click on "Buy Now" button and you will land after on the PayPal page from where you can finalize the transaction. One US dollar is equivalent to 100 TikiSolo Credits.

**Buy credits!**

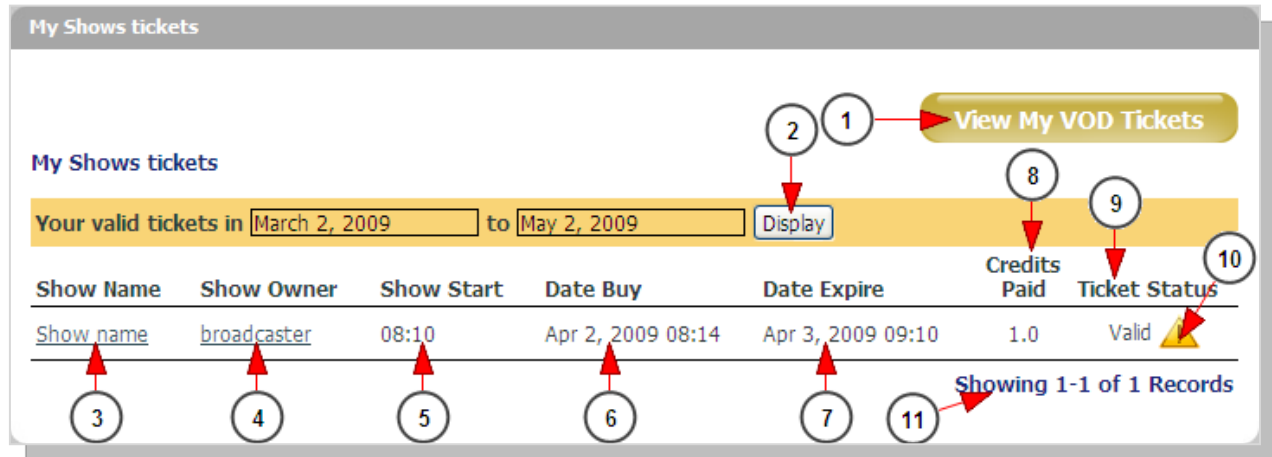

One US dollar is equivalent of 100 TikiSolo Credits.

NOTE: you will cover the transaction fees. You can find more about fees [here](#).

USD = TikiSolo Credits

## My tickets

In **my tickets** page you can see the tickets that you bought for a specific show or video on demand.

The screenshot shows the 'My Shows tickets' interface. At the top right is a button labeled 'View My VOD Tickets' (callout 1). Below it is a date range selector with 'March 2, 2009' and 'May 2, 2009' (callout 2) and a 'Display' button (callout 3). A table lists ticket details with columns: Show Name, Show Owner, Show Start, Date Buy, Date Expire, Credits Paid, and Ticket Status. A single record is shown with values: Show\_name, broadcaster, 08:10, Apr 2, 2009 08:14, Apr 3, 2009 09:10, 1.0, Valid. A yellow triangle icon next to 'Valid' (callout 10) indicates a show starting within 24 hours. At the bottom right, it says 'Showing 1-1 of 1 Records' (callout 11). Callouts 4-7 point to the Show Name, Show Owner, Show Start, and Date Buy columns respectively.

Show Name	Show Owner	Show Start	Date Buy	Date Expire	Credits Paid	Ticket Status
Show_name	broadcaster	08:10	Apr 2, 2009 08:14	Apr 3, 2009 09:10	1.0	Valid

### Legend:

1. Click here to view the tickets that you bought for video on demand
2. Select the period of time and click on display in order to show the credits history for that period
3. Here you can see the show name
4. Here you can see the show owner
5. Here you can see the show start time
6. Here you can see the date when you bought the ticket
7. Here you can see the expire date of the ticket
8. Here you can see the credits paid for that ticket
9. Here is the ticket status
10. This is telling you that the show will start in less than 24 hours
11. Here you can see how many tickets you have bought

## My VOD tickets

In **my VOD tickets** page you can see the tickets that you bought for viewing a video

**My VOD tickets**

1 [View My Shows Tickets](#)

Video Name	Video Owner	Video Recorded	Video Length	Date Buy	Credits Paid
<a href="#">Video</a>	<a href="#">tofanelul3</a>	Jan 14, 2009 17:23	00:00:26	Jan 19, 2009 12:40	10.0
<a href="#">Recorded Video</a>	<a href="#">tofanelul3</a>	Jan 19, 2009 11:25	00:00:09	Jan 19, 2009 12:40	25.0

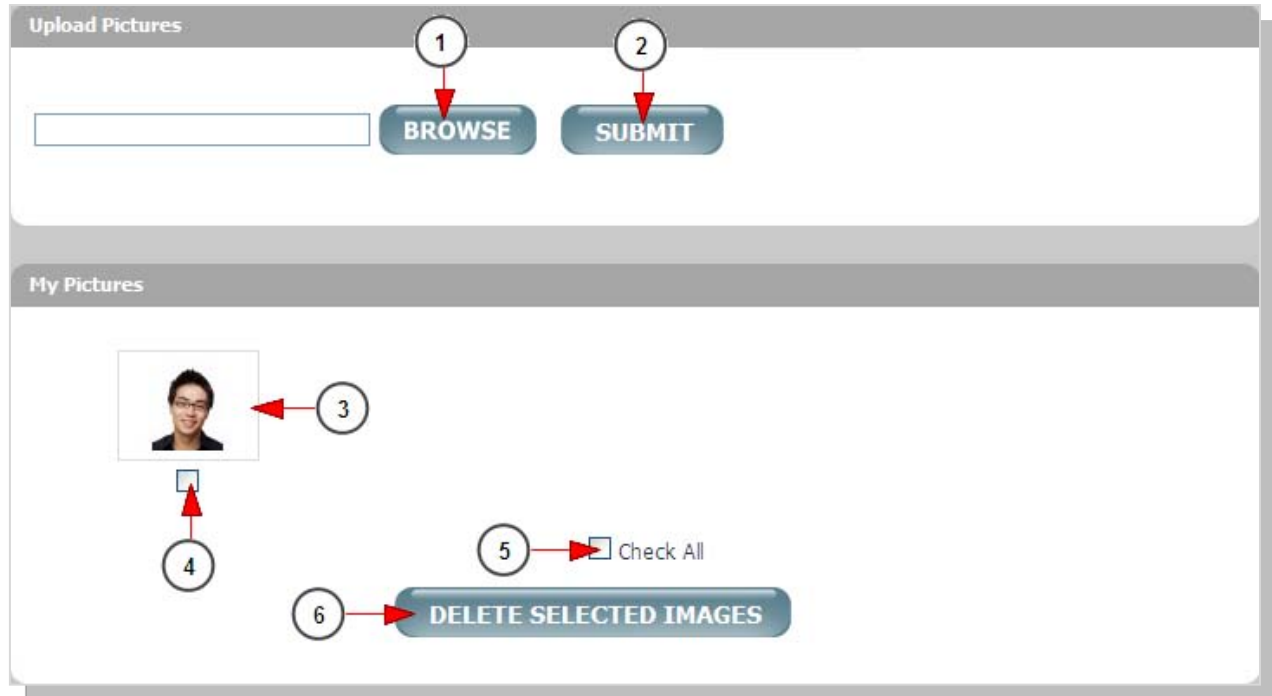

Showing 1-2 of 2 Records

Legend:

1. Click here to view the tickets that you bought for the live shows
2. Here you can see the video name
3. Here you can see the video owner
4. Here you can see the video recorded time
5. Here you can see the video length
6. Here you can see the date when you bought the ticket
7. Here you can see the credits that you paid for this video

## My Pictures

In my pictures page you can **upload** your favorite pictures by clicking **browse** button and then **submit** button or you can check and **delete** the selected pictures.

### Legend:

1. Click here to browse for the picture that you want to add on your TikiSolo account
2. Click here to upload the selected picture
3. Here you can see the picture that you have uploaded
4. Check this box if you plan to remove this picture
5. Check this box if you plan to remove all pictures
6. Click here to delete the selected pictures

## Watch list

This page will let you see when the show is scheduled.

The screenshot shows a 'Watchlist' interface for 'THURSDAY, April 2, 2009'. It features a table of scheduled shows with columns for time intervals and show details. A sorting dropdown is set to 'Newest to Oldest'. A 'Go to' button labeled 'My schedule' is on the right. A 'Select items for' menu is also visible.

Time Interval	Show Details
00:00 ... 12:00	We are sorry, but no shows are scheduled in this interval
12:00 ... 13:00	<b>Show name</b> at 14:10   host : <a href="#">broadcaster</a> <a href="#">add to my watchlist</a>
13:00 ... 14:00	<b>Show name</b> at 14:10   host : <a href="#">broadcaster</a> <a href="#">add to my watchlist</a>
14:00 ... 15:00	<b>Show name</b> at 14:10   host : <a href="#">broadcaster</a> <a href="#">add to my watchlist</a>

Legend:

1. The scheduled period of the shows that are listed
2. From here you can sort the way that the scheduled shows will be displayed
3. Here you can see the scheduled period for a specific show
4. Here you can see the show name and the start time. By clicking on show name, you will land on the show page
5. Here you can see the show hosting user.
6. Click on this link to add this show into your watch list
7. Select the period when you want to see the scheduled shows
8. Click here to go to your schedule

NEW ARTICLE

---

**Title:** Dexter  
**Date:** 21 October, 2008

Dexter's third season has been the most compelling in some aspects, and the least in others. The setup is perfect. Dexter has killed the brother of an assistant district attorney known for his aggressive and political nature. Meanwhile, Dexter's squeeze Rita is pregnant. Dexter has struck up an unlikely friendship with the DA, Miguel Prada (Played by Jimmy Smits), and has embraced the pregnancy as highly interesting and a great cover for his hobby of killing off criminals who slip through the grasp of the justice system. It's all perfect, maybe a bit ... [Read More »](#)

## My Messages

### Message Inbox

In **Message Inbox** page you will be able to see all your messages and **manage** them.

The screenshot shows the Message Center interface. At the top, there are three navigation links: **Message Inbox** (1), **Message Outbox** (2), and **Compose Message** (3). Below these links is a text description: "This folder shows all the messages received by you from different users of the site." Below the text is a table with columns: **From**, **Subject**, and **Action**. The **From** column contains a user profile picture and the username [tofanelul3](#) (4). The **Subject** column contains the message details: **Subject:** [Hello](#), **Date:** Jul 25, 2008 11:57, and **Status:** Read (5). The **Action** column contains three links: [View](#) (6), [Delete](#) (7), and [Block user](#) (8).

#### Legend:

1. Message inbox → by clicking this button you will be able to read all your received messages
2. Message outbox → by clicking this button you will be able to see all your sent messages
3. Compose message → by clicking this button you will go to the compose message page
4. Here you can see user's picture and the username that send you the message
5. Here you can see the message subject, date and status
6. Clicking this button you will be able to view the message
7. Clicking this button you will delete the message
8. By clicking this button you will block the user and he won't be able to send you messages anymore.

## Message Outbox

In **Message Outbox** page you will be able to see all the messages you sent and **manage** them

**Message Center**

[Message Inbox](#) | **[Message Outbox](#)** | [Compose Message](#)

This folder shows all the messages sent by you to different users of the website.

To	Subject	Action
<div style="text-align: center;">   <span>1 →</span> <a href="#">ovbiasi</a> </div>	<div style="text-align: center;"> <span>2 →</span>  <b>Subject:</b> <a href="#">iaca aicilea un mesaj</a>  <b>Date:</b> Oct 28, 2008 10:44  <b>Status:</b> Read                             <span>3 →</span>  <span>4 →</span> </div>	<span>5 →</span> <a href="#">View</a> <span>6 →</span> <a href="#">Delete</a>
<div style="text-align: center;">   <span>cornelius</span> </div>	<div style="text-align: center;"> <b>Subject:</b> <a href="#">Hello</a>  <b>Date:</b> Jul 25, 2008 13:34  <b>Status:</b> Unread                             </div>	<a href="#">View</a> <a href="#">Delete</a>

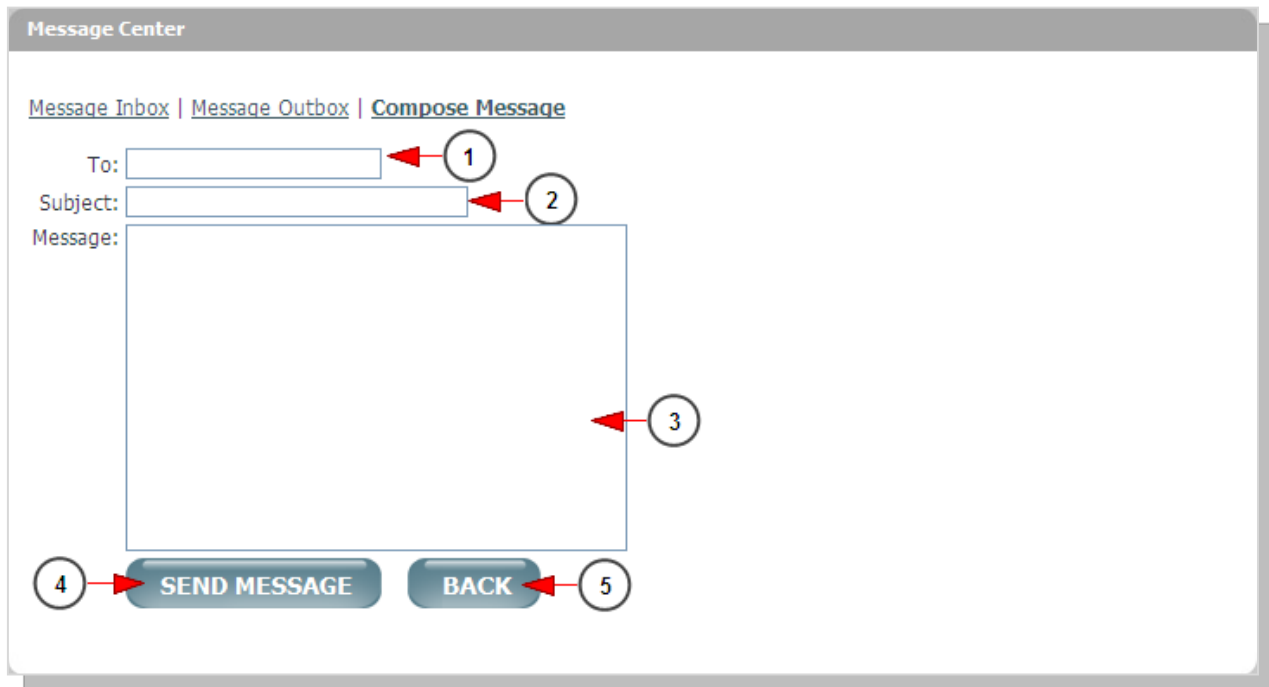

**Displaying 1 to 2 out of 2 entries found**

### Legend:

1. Here you can see user's picture and the username to which you send the message
2. Here you can see the subject of the message
3. Here you can see the message date
4. Here you can see the message status
5. Clicking this button you will be able to view the message
6. Click on this button to delete the message

## Compose Message

In **Compose Message** page you will be able to compose new message to a desired user or a friend

The screenshot shows the 'Message Center' interface with the following elements and callouts:

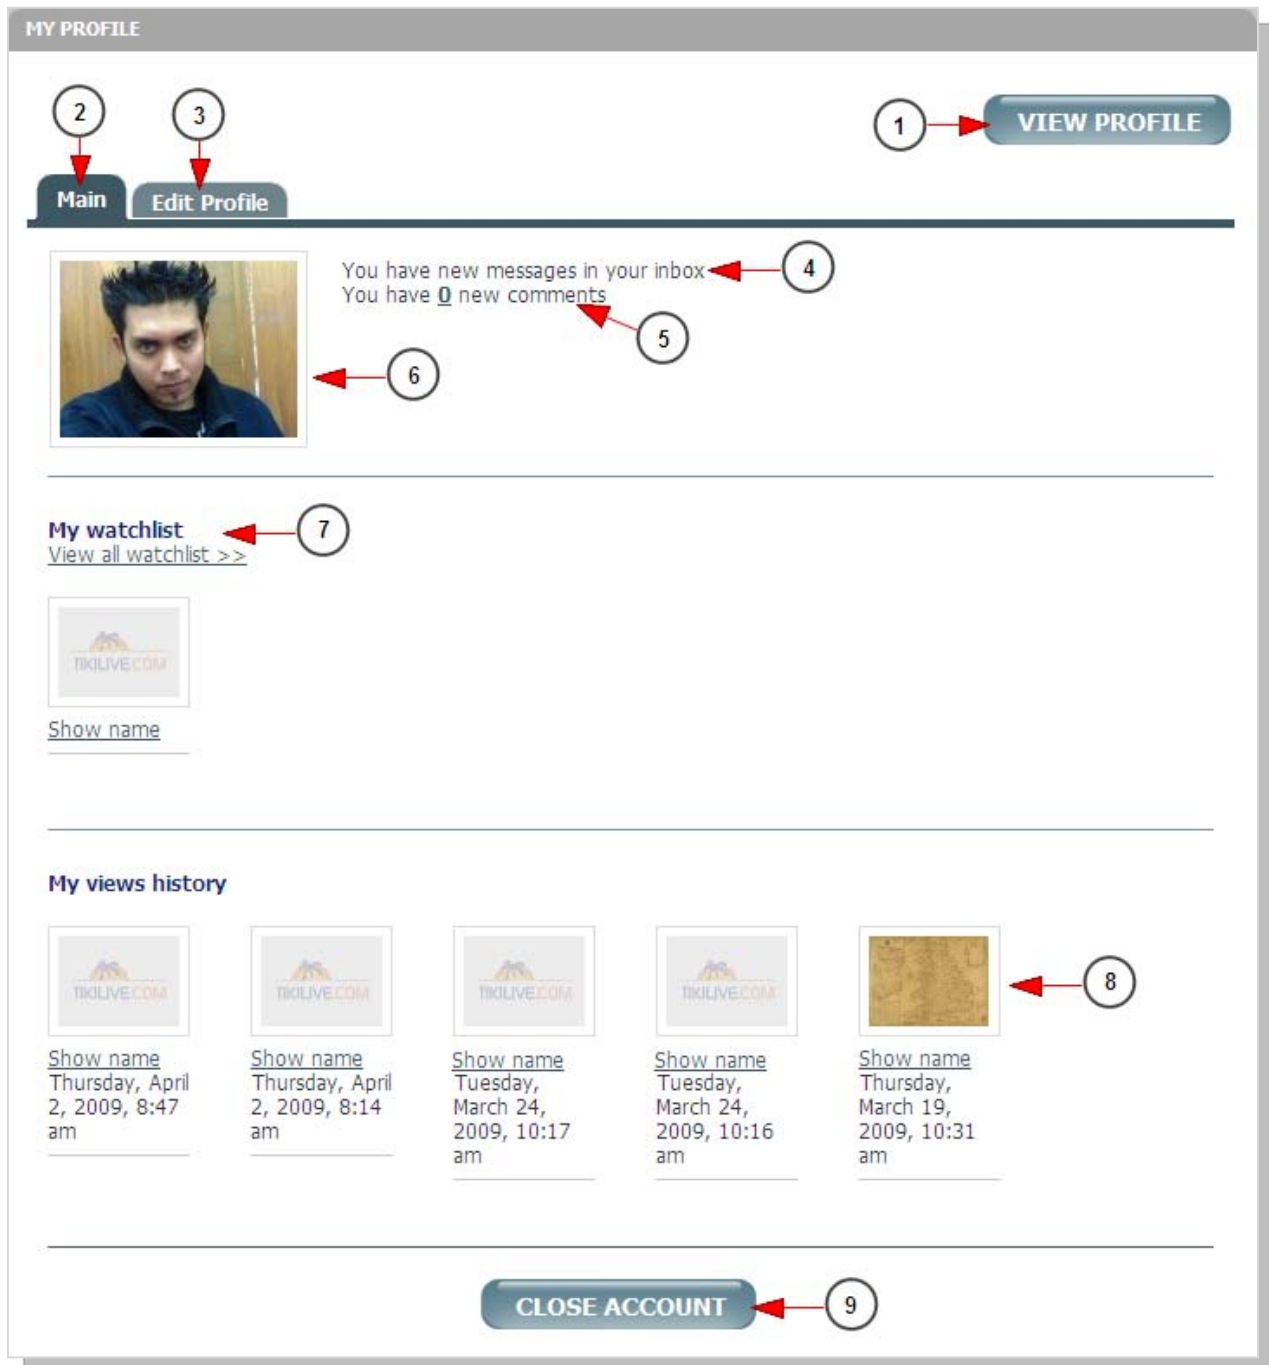

- 1**: Points to the 'To:' input field.
- 2**: Points to the 'Subject:' input field.
- 3**: Points to the large 'Message:' text area.
- 4**: Points to the 'SEND MESSAGE' button.
- 5**: Points to the 'BACK' button.

### Legend:

1. Here you have to enter the username to which you want to send the message
2. Here you enter the subject of this message
3. Here you enter the message that you want to send
4. Clicking this button you will send the message to the user
5. Click on this button to go back to previous page

## My Profile

In **My profile** page you will be able to **view and edit** your profile.

The screenshot shows the 'MY PROFILE' page layout with the following elements and callouts:

- 1**: A button labeled 'VIEW PROFILE' in the top right corner.
- 2**: A button labeled 'Main' in the top left navigation bar.
- 3**: A button labeled 'Edit Profile' in the top left navigation bar.
- 4**: A notification area stating 'You have new messages in your inbox' and 'You have 0 new comments'.
- 5**: A small icon next to the '0 new comments' text.
- 6**: A profile picture placeholder.
- 7**: A section header 'My watchlist' with a link 'View all watchlist >>'.
- 8**: A video thumbnail in the 'My views history' section.
- 9**: A button labeled 'CLOSE ACCOUNT' at the bottom center.

Legend:

1. View profile → by clicking this button you will be send to the profile page
2. If you click this button you will view the details of your profile
3. If you click this button you will be able to edit your profile
4. Here you will see if you have new messages in your inbox
5. Here you will see if you have new comments on your profile

6. Here you can see your profile photo
7. Here you can see the shows from your watch list
8. Here is the history of the shows that you watched
9. Click this button to close your account

**Note: once an account is closed, it cannot be restored.**

## Video Tags

If the user clicks on a specific tag, then he can browse the videos that have that tag.

The screenshot shows the TIKILIVE.COM interface. On the left, a sidebar lists 'Most popular tags' (1) including entertainment, Weather, Business, Radio Stations, Webcam, Holiday, Nature, Landscape, Scenery, Funny Videos, Music Videos, Travel, Funny Cats, Dogs, and blinkobob. Below this is a promotional banner for launching a broadcast. The main content area is titled 'Browse by tag: 'Funny Cats, Dogs'' (2). It features a filter dropdown set to 'Newest to Oldest' (3) and displays two video records. The first record is a 'New Broadcast' by 'broadcaster' with tags 'Funny Cats, Dogs, Anime, Manga, Radio Stations' and 68 ratings. The second record is by 'alex' with tags 'Holiday, Anime, Manga, Funny Cats, Dogs' and 76 ratings (4). Both records show their respective video thumbnails, host names, tags, total views, and star ratings.

Legend:

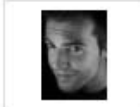

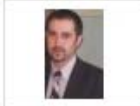

1. Here are listed the tags
2. After clicking on a specific tag, the browse by tags window will appear and the user will have the possibility to see all the videos that have the specified tag.
3. From here the user can filter the list order
4. Here are the videos with details

## Accept co-host invitation

If the broadcaster send a co-host invitation, you will get notified and you can start broadcasting your camera on the show.

Legend:

1. Click here to accept the co-host invitation
2. Click here to deny the co-host invitation

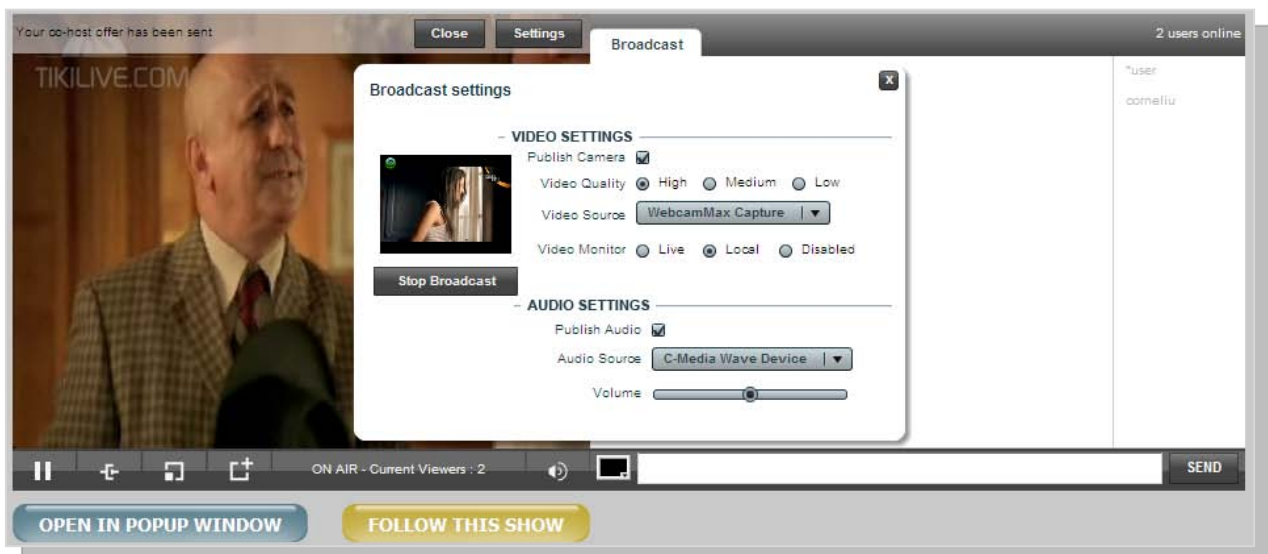

You will have to allow that Adobe Flash Player access your camera and microphone. After that the settings window will appear.

Legend:

1. Check this box if you want to publish your camera
2. From here you can select the video quality
3. From this dropdown menu you can select your camera (if you have more cameras connected to your computer)
4. From here you can select from where you want to see the video – from live site or directly from your local camera. You can also disable it.
5. Check this box if you want to publish audio or not
6. From this dropdown menu you will select the audio source
7. This is the volume bar, from here you can increase or decrease the audio volume
8. Click this button to start broadcasting your show

Now you are broadcasting the video. After the broadcaster will accept your co-host offer, your video will appear on show video page.

If you want to stop broadcasting, click on “Stop Broadcast” button.

The broadcaster accepted your co-host invitation and you can see your video feed over the broadcaster's video.

If you click on "Close" button you will stop broadcasting as a co-host.

You can adjust your video settings any time by clicking on "Settings" button.
